Meeting Minutes - Team 1B

Date	:	25.11.2021
Time	:	09:50 AM - 11:30 AM
Location	:	Software Laboratory 1
Participants	:	Abu Sadat Soyam
		Anwar Al-Dhify
		Hasib Iqbal

Ziad Khaled was sick this week. Later we discussed the outcome of the meeting.

Activities this week:

- Our motivation for this meeting was to do the brainstorming & design database schema.
- We design the database schema based on previously listed features.
- We have completed first the draft schema & then updated it according to the professor's review.

To-Do for next week:

- Design MOOC UI of our project.
- Discuss development pipeline.
